*Note: FLAS approval does not carry forward from one year to the next. The institution awarding the fellowship must seek approval both for the program and for the travel for each fellow. Program staff will find further guidance in the US Department of Education, International and Foreign Language Education’s FLAS and NRC Program Administration Manual.

[1] No information on recently approved programs for Bamana or other Malian languages is currently available. However, the Dean and Vice-Dean of the Faculté des Langues, Arts et Sciences Humaines (FLASH) at the University of Bamako have expressed their interest in facilitating language study through the Linguistics Department. Contact Dr. Maria Grosz-Ngaté, mgrosz@indiana.edu, at Indiana University for further information.

[2] Dr. Peter Quella, pdquella@bu.edu, is currently developing a program.
