

I3th Annual Indiana Latino Leadership Conference
February 25, 2012
Marian University
Indianapolis, IN

The mission of the Indiana Latino Leadership Conference is to celebrate the uniqueness of Latina/o students in a forum by and for students. This forum seeks to cultivate the exchange of ideas, values, and beliefs in order to promote scholarship, leadership development, and empowerment of Indiana's college and high school Latina/os.

In order to make a difference we must stand together as one. CommUNITY: Carinos Across Borders, will help to create a foundation of UNITY amongst scholars fighting to break through physical, theoretical, and personal borders in progression towards a student's individual and shared goals. As we stand together in UNITY, we can achieve even what we may think is impossible. Carino or brotherly love, is essential to our success in learning and growing in order to embrace our differences and come together as a CommUNITY despite any borders that we face!

“You should know that the education of the heart is very important. This will distinguish you from others; educating oneself is easy; but educating ourselves to help other human beings to help the community is much more difficult”.

Cesar E. Chavez, Union Organizer & Activist (1927-1993)
