

[DHAnswers](#) is an initiative of the [Association for Computers and the Humanities \(ACH\)](#) and the Chronicle of Higher Education's

[ProfHacker](#)

to create an open forum for asking and answering digital humanities-related questions. The ACH/ProfHacker collaboration is also building a community-based Q&A board,

[@DHAnswers](#)

, for digital humanities questions that need (just a little) more than 140 character answers!
