Year In Review...

Hear was our season: *Vital Signs* by Jane Martin, directed by: Paula M. Smith. An audience total of 150 saw the show over a three show run at the IU Experimental Theatre. Also produced was *Assassins* by Steven Sondheim, directed by Eric Zobel. *Assassins* had an audience of 1300 over a three show run in the Buskirk-Chumley Theatre. UP also hosted a trip to see a production of Jane Austen's *Pride and Prejudice* at the Indianapolis Repertory Theatre in the fall and then ventured to Louisville, KY to the Humana festival this spring. A stage combat workshop was conducted with Sarah Moravec and George Pinney sat down with UP to talk about musical auditions and give his insight pursuing a role. Thank you so much for a marvelous season!
